

The Meerkats Field Hockey Club

Player & Parents Code of Conduct Form

Dear Players & Parents

US Field Hockey has asked that we remind players and parents of the vital importance of The Code of Conduct in all field hockey activities (i.e. practice, games, tournaments, etc.).

As a member club of US Field hockey, MEERKATS has adopted the US Field Hockey Code of Conduct for Players, Parents, and Coaches.

These Codes of Conduct are a covenant between US Field Hockey, MEERKATS players, parents, coaches and officials to abide by the rules and regulations of the game, as well as to maintain a cooperative attitude and uphold the ideals of courtesy, fair play and sportsmanship.

Concerning Social Media be aware that postings, tweets, photos, videos, etc. – even when intended to be viewed only by close friends or family – can easily be circulated beyond your intended audience. Your posts represent you and, by association, The Meerkats Field Hockey Club to the outside world. “Personal” and “private” are not synonymous concepts in social media. Information you post may be personal, but it should never be considered private. You may be asked to remove material that is considered unacceptable by the Meerkats FHC.

MEERKATS will not tolerate conduct that is detrimental to the MEERKATS, the sport, the participants, or the community. Such conduct includes: Vulgarity by parents, players, spectators or coaches; harassment or belittling of officials, coaches or players; verbal abuse, threats or physical violence toward anyone before, during or after a match; and the taunting of opposing players, coaches and parents. We require thorough self-restraint by all participants – both players and adults. Teams must exercise appropriate control over those who fail to control themselves.
